

How to Pay for Classes

I just realized I neglected to tell you how to pay me for the classes. Well, I love teaching so much I don't really care if you pay or not.

NOT!!! 😊

There are four ways you may pay:

- Zelle (www.zellepay.com or phone app). Send to my normal email address. Contact me if you need this.
- Google Pay (phone app). Send to my normal phone number. Contact me if you need this.
- Manually write a check to: WVS, 3324 Manchester Cir, Bedford, Texas, 76021
- Use your online banking to have a check sent automatically to the above address. This can save a lot of headaches over writing a check manually each month.

3324 Manchester Cir

Full month: \$80

August: \$40 since it's only 1/2 month.

You pay slightly in advance, so the payment at the beginning of the month pays you up to the end of that month.
